FREE MOBILE APP LOCATES NEARBY PARKING GARAGES

Support Chicago Parking Garages Employing Thousands of Teamsters

A new free mobile app allows users to find nearby parking garages and lots in the Chicago area.

The Parking Industry Labor Management Committee (PILMC) created the Chicago Parking Map app, which is now available to download for iOS and Android devices.

“We’re very proud of this app and hope everyone will take advantage of it,” said John Coli Jr., President of Teamsters Local 727 and a member of the PILMC. “It is a great tool and just another example of how technology helps this industry, our members and the customers they serve.”

PILMC represents the operators, owners and workers of Chicago parking garages, including more than 4,000 parking industry employees represented by Local 727 in the Chicago area.

Chicago Parking Map app users can type in an address and a list of nearby parking garages and lots will appear, complete with information on hourly rates, holiday/specialty rates, photos and location details. Users can use the app in conjunction with their map apps to get directions.

The Chicago Parking Map also can be found online at ChicagoParkingMap.com.

Teamsters Local 727 is an affiliate of Teamsters Joint Council 25, America’s premier labor union for Chicago, Illinois and northwest Indiana.
