TEAMSTERS ENDORSE HILLARY CLINTON FOR PRESIDENT **Clinton Will Be a Strong Voice for Working Families**

Today, the International Brotherhood of Teamsters announced its endorsement of Hillary Clinton for president. The Teamsters General Executive Board unanimously voted to endorse the former senator and secretary of state.

“We are proud to endorse Hillary Clinton for President of the United States,” said Teamsters General President James P. Hoffa. “She is the right candidate for the middle class and working men and women across the country. She will stand strong for the workers of America by fighting to reject job-killing trade deals, enforcing labor laws and working to provide retirement security for millions of people who have sacrificed so much for the chance to retire with dignity.

“The Oval Office needs to be occupied by a serious candidate who understands what it means to govern responsibly,” Hoffa said. “Donald Trump supports national right-to-work laws that are proven to weaken the middle class and has a long track record of shipping jobs out of the country as a businessman. He is no friend to working Americans.”
